

Meditation in Action...
Compassion in Action...

Dearest Swami Nirvanananda ji,

Loving Greetings from Mahabodhi Chandigarh,

I hope this finds you in the best of your physical, mental & spiritual health & happiness.

I would like to extend my heartfelt thanks and gratitude to you for yet another magnanimous donation of 25,000 Euro towards the operation cost of the multifarious humanitarian activities of MIMC. As I told you, I was very much concerned about the maintenance of this huge campus this year because of the COVID-19 pandemic and your generous donation will bring immense relief to us. The official receipt of your donation is enclosed herewith.

You have been very generous for MIMC ever since our first meeting, for which myself and My whole team are profoundly very grateful. You have always been a part of this growing wonderful Dhamma and humanitarian activities undertaken by MIMC.

Though, this year we are not expecting any visitors and guests to visit our campus or to join the Meditation courses, we are planning to conduct online meditation, Dhamma and Yoga sessions.

Once again please accept heartfelt grateful thanks from all of us here at MIMC. May your generosity conduce to your well beings and happiness. May you continue to prosper both spiritually and materially.

With much Gratitude
Yours Sincerely,
In the Humble service of Humanity
